▶ **Mikhail GAMZIN**

Managing Partner

Mikhail Gamzin is a serial entrepreneur with a successful track record for building businesses and creating shareholder value in Russia. Over the past 15 years he founded, developed and sold successfully 3 companies in various sectors: Trade, Transport, and Agricultural Production.

In 1999 Mr.Gamzin founded Intec Group which invested in sugar and grain businesses in southern Russia. In 2000 Intec Group merged its business with Alfa Group's Kubanskhar to create United Food Company (UFC) – one of the leading sugar and grain producers in Russia with an annual turnover of \$100 million and 10 thousand employees. Mr.Gamzin headed the company and joined the Supervisory Board of Directors of Alfa Group. In 2002 UFC was successfully sold to a Russian strategic investor, generating an excellent return for the shareholders.

In 2003 Mr.Gamzin founded Russian Technologies with investments from Alfa Group and Intec Group.

Mr. Gamzin serves on the board of Directors of UHT, Ultra Motor, Yutec and Electro-Com.

M.Gamzin is a member of the Administrative Council of the Russian Private Equity and Venture Capital Association.

▶ **Vitaly Belik**

Partner

Mr. Belik is an investment professional with experience at leading institutional investing organizations.

Prior to joining Russian Technologies in January 2007, Vitaly Belik worked at Intel Capital Since 2003. At Intel Capital Mr.Belik was responsible for equity investments and M&A origination.
